

Motorcycle Dealership Insurance

Motorcycle dealers have a unique insurance requirement and are in no way different to that of a motor vehicle dealer.

We have a product that has been specifically designed to meet the exposures that exist within the confines of a dealership.

Listed below is a summary of some of the features and benefits included in the product.

- **Theft of motorcycles in the open air including theft without forcible entry.**
- **Hail damage to motorcycles.**
- **Flood damage.**
- **Accidental damage.**
- **Road testing and demonstration of motorcycles including trade plate usage.**
- **Faulty workmanship including customer's goods in your care custody control.**
- **Roadworthy certification where required by state jurisdiction.**
- **Professional Indemnity.**
- **Directors and officers liability including employment practices liability.**
- **Employees and/or directors personal property.**
- **Employee dishonesty.**
- **Machinery including computer equipment.**
- **Motorcycles in transit.**

All enquiries please email, ring or fax your details to me and I will respond accordingly.
